Violation of this policy may result in the abstract being withdrawn from the meeting and other measures deemed appropriate. Refunds (if any) for amounts paid by an Exhibitor will be determined on a sliding scale based upon proximity to the Meeting and the date ACR received written notice of cancellation or reduction of space request.

Failure to notify ACR of intent to cancel may result in Exhibitor being denied participation at future ACR meetings. Space not claimed and occupied prior to the start of the Meeting for which no special arrangements have been made with ACR may be resold or reassigned by ACR without obligation on the part of ACR for any refund whatsoever.

ACR reserves the right to cancel the Meeting at any time. In the event the Meeting is entirely or partially canceled or postponed other than due to a Force Majeure event, Exhibitor's sole and exclusive remedy with respect to any damages sustained by Exhibitor as a result of such non-occurrence or postponement shall be a refund from ACR of all deposits (or payment in full) made by Exhibitor at the time of such cancellation or postponement. Exhibitor acknowledges and agrees that ACR's performance under the contract is subject to and shall be excused due to one or more Force Majeure events (as defined herein) directly or indirectly impacting ACR or the Meeting. A Force Majeure is defined as a circumstance or occurrence beyond ACR's control which makes it inadvisable, illegal, commercially impracticable or impossible for the Meeting to take place as planned, including, without limitation: (i) acts of God, (ii) disasters (including, but not limited to, fire, flood, severe weather, avalanche, tsunami and earthquake), (iii) war, (iv) civil disorder, (v) suspected or actual terrorism in or near the borders of the continental United States, (vi) government regulation (including, but not limited to, declared states of emergency), (vii) national or international public health authorities' (including, without limitation, the Centers for Disease Control or the World Health Organization) declaration of public health emergencies, communicable disease, epidemic or pandemic advisories or alerts, (viii) strikes or work stoppages, (ix) curtailment of transportation services (including, without limitation, travel bans and advisories), (x) public or private policies which restrict or prohibit participants of the Meeting from traveling to or attending the Meeting. ACR shall promptly provide notice (which may be sent via e-mail) of a cancellation due to the existence of one or more Force Majeure events, and Exhibitor agrees that ACR shall have no liability whatsoever to Exhibitor as a result of such cancellation or ACR's partial or nonperformance due to such Force Majeure event.

Children

Children may enter the exhibit hall during the exhibit days if accompanied by a registered attendee or exhibitor. The accompanying person is responsible for the child and assumes all responsibility for the activities of the child. Children (under the age of 18) are not permitted in the exhibit hall during the installation and dismantling of exhibits. For safety reasons, strollers are not permitted at any time.

City-wide Advertising Guidelines

Guerilla marketing including Segways, brand activations, or other viral tactics are strictly prohibited. All advertising materials are subject to the College's review and approval.

- Depending on the meeting city, new opportunities may arise; exhibitors are advised to contact TriStar early to learn of each year's ACR approved offerings to reach attendees.
- Exhibiting companies will receive first right of refusal for any opportunity or comparable tactic in the following meeting year.
- Exhibiting companies who do not abide by ACR's perimeter marketing guidelines will be penalized in accordance with the "Enforcement of Rules and Regulations Policy" as stated on the exhibitor application.

Failure to Occupy Space

Exhibitors not occupying booth space by 5:00 PM on Friday, November 11, 2022, will forfeit their booth space without refund. The space may be resold or used by the ACR.

Insurance

Exhibitors should insure their exhibit materials, goods and wares against theft, damage by fire, accident or loss of any kind and must do so at their own expense. As a courtesy to exhibitors, security for the exhibit area will be furnished by the ACR, during the hours deemed necessary by the ACR. The furnishing of this service is in no case to be understood or interpreted as a guarantee to exhibitors against loss or theft of any kind.

The exhibitor is solely responsible for any damages, claims, losses, or expenses arising from any injury to any person or property that arises out of or is in any manner connected with the exhibitor's participation in ACR Convergence, including its indemnity obligations herein.

For the term of the agreement, Exhibitor shall maintain comprehensive general liability insurance against claims for bodily injury or death and property loss or damage occurring in or upon or resulting from the premises leased by the ACR. Such insurance shall include contractual liability and product liability coverage, of \$1,000,000 per occurrence with a \$2,000,000 aggregate. The ACR and the Pennsylvania Convention Center shall be added as additional insureds to such insurance. Exhibitor agrees to provide the ACR a suitable certificate verifying that the required insurance is and will remain in force for the duration of the Exhibition. The ACR will bear no liability for personal injuries, whether suffered by an exhibitor, its employees, its contractors, agents, or business invitees. The ACR will also assume no liability for loss or damage to the property of an exhibitor, its employees, its contractors, agents, or business invitees, regardless of the cause, unless such injury or damage results from, or is caused directly or exclusively by, the gross negligence or wrongful acts of the ACR. **October 10, 2022 is the deadline for all companies to provide their Certificate of Insurance.**

Liability and Indemnification

The exhibitor will be fully responsible for any claims, liabilities, losses, damages, or expenses, including attorney's fees, relating to or arising out of any loss of, injury to, or damage to any person or property of the exhibitor or any other person or property where such injury, loss or damage is incident to, arises out of or is in any way connected with the exhibitor's participation in the Exhibit Program. The exhibitor shall protect, indemnify, hold harmless, and defend the ACR, its officers, directors, agents, volunteers vendors, employees and the Pennsylvania Convention Center and the Members, Officers, Directors, Agents and Employees from and against any and all such claims, liabilities, losses, damages, and expenses, including attorneys' fees, provided that the foregoing shall not apply to injury, loss, or damage caused by or resulting from the gross negligence or willful misconduct of the ACR, its officers, directors, agents, volunteers, vendors or employees.

Marketing and Advertising

The ACR offers the opportunity to market company activities by advertising in ACR Convergence Today and Medical Bag as well as renting either the Advanced/Final Registration list or the ACR/ARP Membership list. These advertising opportunities and resources, including without limitation the Advanced/Final Registration list and ACR/ARP Membership list are exclusively available through ACR and InFocus Marketing, and no other party is authorized to approve access to or otherwise offer these to you. ACR reserves all rights with respect to enforcement of the foregoing rights and may take any and all action it deems necessary in pursuing such enforcement efforts.

For complete policies on marketing and advertising, please review the [Promotional Material Guidelines](#).

- Industry media events are not permitted during the Annual Meeting on property contractually held by the ACR (i.e., the convention center and official ACR hotels).
- Announcements and other materials must clearly state that such events are not affiliated with the ACR. The ACR must review any materials that mention the College or the annual meeting by name. Materials may be emailed to pr@rheumatology.org for review.

- It is permissible to pitch abstract-embargoed stories before the meeting (see Abstract Embargo Policy on Page 4), but, in such cases, companies and their spokespeople are responsible for ensuring that the embargo is upheld.

Industry representatives are not allowed in the newsroom. **Note: Individuals with exhibitor or attendee badges are not eligible to receive press badges.**

Companies or institutions may be eligible to have press releases associated with science being presented at the meeting made available in the ACR Newsroom. For more information about these policies review the “Guidelines for Submitting Non-ACR Press Materials” at <http://www.rheumatology.org/Annual-Meeting/Press>. For additional assistance, please contact the ACR’s public relations department at (404)633-3777, or pr@rheumatology.org. **The ACR does not release current or past media registration lists.**

Non-Contracted Exhibit Space

Persons, companies, or organizations that have not directly contracted with the ACR to occupy space in the exhibit hall will not be permitted to display or demonstrate products or services, solicit orders or distribute advertising materials in the convention center, outside or inside any hotel contracted by the ACR, or parking lots. Noncompliance with this regulation will result in the prompt removal of the offending person or property from the area. This includes any affiliate company working on behalf of a contracted exhibitor.

Use of ACR Scientific Content

All of the proceedings of the annual meeting, including the presentation of scientific papers and other educational material, are intended solely for the benefit of the ACR members and other registered attendees. Scientific presentations or other educational material may not be recorded, photographed, copied, photocopied, transferred to electronic format, reproduced or distributed without the written permission of the ACR and the presenter. Any presentation is to be regarded as limited publication only and all rights, including copyrights, are expressly reserved to the presenter or the ACR. Any use of the program content, which includes but is not limited to oral presentations, audiovisual materials used by speakers and program handouts, is expressly prohibited, without the written consent of the ACR and the presenter. This policy applies before, during and after the annual meeting.

Violations and the Loss of Priority Points

Violation of any of the ACR regulations on the part of the exhibiting company or its employees or agents shall, at the discretion of the ACR, nullify the right to occupy space, and such exhibitor may be requested to forfeit to management all monies that have been paid. Exhibitors shall be liable for all damages that management may incur and shall forfeit all monies paid or due. The exhibitor expressly waives the serving of a written notice to re-enter or terminate.

As a condition for exhibiting, each exhibitor agrees to observe all ACR policies and regulations as described in this prospectus, including policies regarding use of the ACR name and/or logo and mailing list policies. Failure to halt or amend these actions or comply with these policies and regulations will result in penalties as outlined below. Whenever appropriate in the view of the ACR, disciplinary action will be progressive. However, the ACR reserves the right to levy a more severe penalty, including refusal or termination of the exhibit, at the ACR’s discretion, without progressing through each of the successive steps. In the event of such restriction or eviction, the ACR will not be liable for any refunds on rentals or other exhibitor expenses.

Violators of ACR rules and regulations will incur a reduction in priority points for each penalty assessed. In assessing penalties, prior year warning and penalties may be considered.

- The first penalty assessed by the ACR will result in the company not being allocated the priority points for participation in the current year.
- The second penalty assessed by the ACR will result in the company losing one-half of its accrued priority participation points.
- The third penalty assessed by the ACR will result in the company losing all of its accrued priority participation points.
- The fourth penalty assessed by the ACR will result in the company not being eligible to exhibit at future ACR meetings and exhibitions.

Industry-Sponsored Events and/or Services

- The third penalty assessed by the ACR will result in the company not being eligible to host industry sponsored events and/or services at the next annual meeting.
- The fourth penalty will result in the company not being eligible to exhibit at future ACR meetings.

The ACR decision is final in all interpretations of the conditions set forth in this prospectus and of all applicable rules and regulations. Giveaways and Handouts

The ACR is a signatory to the [Council for Medical Specialty Societies' \(CMSS\) Code for Interactions with Companies](#). The code provides detailed guidance to medical specialty societies on appropriate interactions with for-profit companies in the health-care sector. In addition, the ACR has developed [Guiding Principles for Interactions with External Entities](#).

Based on these documents, the ACR has the following policies for giveaways and handouts:

- With the exception of descriptive company/product literature, all handouts and giveaways must be approved by the Senior Specialist, Expositions & Sponsorships prior to the meeting. Online forms will be provided in the Exhibitor Services Kit. These forms must be completed and submitted to the Senior Specialist, Expositions & Sponsorships no later than **Friday, October 14, 2022**. **No unapproved items may be distributed.**
- **Giveaways by commercial exhibitors** must be provided consistent with the [PhRMA Code on Interactions with Healthcare Professionals](#) and the [Advanced Code of Ethics on Interactions with Health Care Professionals](#), **regardless of whether the exhibitor has adopted the code.** *A commercial exhibitor is defined as any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. This definition is not intended to include entities through which physicians provide clinical services directly to patients.*
- **Giveaways by nonprofit organizations/governmental agencies** that are not subject to the PhRMA or Advanced codes must be of modest value.
- Giveaways must be designed primarily for the education of patients or health care professionals, not be of substantial value, and not have value outside of a health care professional's professional responsibility.
