

All-Access Pass—All-inclusive access to ACR Convergence 2020!

The All-Access Pass includes:

- Advance access on Wednesday, November 4
- 200+ educational sessions and oral abstracts with LIVE Q&A and 2,000+ posters
- Community Hubs, multiple networking opportunities, including the option to schedule 1:1 and small-group private meetings, Exhibits, Innovation Theaters, and Industry-Supported Symposia
- Extended programming, which includes:
 - **Tuesday, November 10:** Review Course, Practice Management & Coding Update, and Radiology Bootcamp
 - **Saturday, November 21:** Basic Research Conference and Clinical Research Conference
- 24/7 on-demand access to the session recordings, Poster Hall, Community Hubs, and Exhibits until March 11, 2021

Day Pass: If you are not able to participate in the entire meeting, consider purchasing a Day Pass, which provides access to the educational sessions and oral abstracts with LIVE Q&A offered on the day of your pass, plus access to the Poster Hall, Community Hubs, and Exhibits.

COVID-19 Pass: Each day, ACR leaders and experts in the field, including Anthony Fauci, MD, will share timely insights about the impact of COVID-19. This special pass includes access to six sessions. Sessions will be available on demand following the conclusion of the meeting.
